

## SWIMMING POOL CONSTRUCTION

# Safety duties continue after the pool is filled.

You excavate, plumb and wire pools before handing them over. Review open pits, electrical bonding and claims involving completed work.

### RISKS WORTH DISCUSSING

- 01 Diving and drowning allegations
- 02 Electrical bonding defects
- 03 Falls or cave-ins in excavations

# Coverage worth discussing

## General liability

Covered third-party claims involving completed work.

## Inland marine

Excavators and gunite rigs against theft or damage.

## Products liability

Covered injury or damage from supplied pool products.

## Workers compensation

Benefits for excavation or electrical-task injuries.

## Builders risk

Insured pool work and materials during construction.

Coverage is subject to policy terms and exclusions.

## Why The Southern Agency

### 01 Listen

We review your operations, coverage and past claims.

### 02 Assess

We look at hazards and ways to reduce risk.

### 03 Build

We compare carriers, premiums and audit terms.

### 04 Support

We revisit coverage as your work changes.
