

RELIGIOUS FESTIVALS, KITCHENS AND DONATIONS

A festival can bring injury claims.

You host worship, festivals and community meals around sacred spaces. Actual crowd activities, kitchen duties and valued objects need accepted terms, with donation funds and employee roles identified accurately.

RISKS WORTH DISCUSSING

- 01 Visitor injuries during festival activities
- 02 Kitchen or ritual-candle fires
- 03 Theft involving insured donation funds

Coverage worth discussing

Commercial property

Insured temple buildings and contents after covered damage.

Workers compensation

Work-injury benefits for eligible temple employees.

General liability

Covered visitor injury from accepted temple activities.

Crime insurance

Defined theft involving expressly insured donation funds.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 Listen

We review your operations, coverage and past claims.

02 Assess

We look at hazards and ways to reduce risk.

03 Build

We compare carriers, premiums and audit terms.

04 Support

We revisit coverage as your work changes.
