

TENTS, STAGES AND BLEACHERS

The crowd arrives soon after setup.

You erect tents, stages and bleachers on tight schedules. Consider anchoring, crew safety and inventory moving between venues.

RISKS WORTH DISCUSSING

- 01 Collapse while crowds use a structure
- 02 Wind lifting tents or canopies
- 03 Inventory damage between venues

Coverage worth discussing

General liability

Covered spectator injury or venue property damage.

Inland marine

Tents, stages and rigging at venues or in transit.

Umbrella liability

Higher limits above covered underlying liabilities.

Workers compensation

Benefits for setup and teardown crew injuries.

Commercial auto

Vehicle liability for trips to event locations.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 Listen

We review your operations, coverage and past claims.

02 Assess

We look at hazards and ways to reduce risk.

03 Build

We compare carriers, premiums and audit terms.

04 Support

We revisit coverage as your work changes.
