Coverage worth discussing

Environmental liability

Cleanup for covered dye or treatment-effluent releases.

Equipment breakdown

May help repair boilers after internal failure.

Workers compensation

Employee injury benefits for dye-bath or steam duties.

Commercial property

Insured dyehouse plant and owned fabric stocks.

General liability

Covered visitor injury at the dyehouse.

Products liability

Covered harm to others from supplied dyed fabrics.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 Listen

We review your operations, coverage and past claims.

02 Assess

We look at hazards and ways to reduce risk.

03 Build

We compare carriers, premiums and audit terms.

04 Support

We revisit coverage as your work changes.
