The Southern Agency
Insurance & Bonds

REHEARSALS AND LIVE PRODUCTIONS

A backstage injury can halt a production.

You manage productions through rehearsal and performance, often using rented venues. Hazards range from patron falls to damage to traveling production assets.

RISKS WORTH DISCUSSING

01 **Auditorium patron injuries**

02 **Backstage rigging hazards**

03 **Traveling production asset damage**

THEATER COMPANY INSURANCE

Coverage worth discussing

General liability
Covered patron injury claims at accepted performance locations.

Commercial property
Insured building or tenant assets after covered damage.

Inland marine
Declared costumes, props and gear during accepted transit stages.

Workers compensation
Work-injury benefits for eligible production employees.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 **Listen**
We review your operations, coverage and past claims.

02 **Assess**
We look at hazards and ways to reduce risk.

03 **Build**
We compare carriers, premiums and audit terms.

04 **Support**
We revisit coverage as your work changes.
