

RECOVERY, ON-HOOK TRANSIT AND STORAGE

A towed car can be damaged.

You recover cars, tow them and may store them overnight. Recovery, on-hook and garagekeepers terms must follow each custody stage; garage liability alone is not customer-vehicle cover.

RISKS WORTH DISCUSSING

- 01 Traffic striking roadside crews
- 02 Customer-car damage while on hook
- 03 Fire affecting vehicles in storage

Coverage worth discussing

Commercial auto

Covered road liability for accepted tow-truck use.

Inland marine

Specific on-hook/tow-cargo terms when accepted.

Umbrella liability

Limits above expressly scheduled towing liability.

Garage liability

Covered injury from accepted garage service work.

Workers compensation

Benefits for qualifying roadside work injuries.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 Listen

We review your operations, coverage and past claims.

02 Assess

We look at hazards and ways to reduce risk.

03 Build

We compare carriers, premiums and audit terms.

04 Support

We revisit coverage as your work changes.
