Coverage worth discussing

Products liability

Defend injury claims attributed to your toys.

Workers compensation

Provide benefits for assembly line injuries.

Commercial property

Repair facilities and replace stock after damage.

Umbrella liability

Extra limits above covered underlying liabilities.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 Listen

We review your operations, coverage and past claims.

02 Assess

We look at hazards and ways to reduce risk.

03 Build

We compare carriers, premiums and audit terms.

04 Support

We revisit coverage as your work changes.
