The Southern Agency
Insurance & Bonds

WRITTEN TRANSLATION AND LIVE INTERPRETATION

One wrong word can harm a client.

You translate documents or interpret live conversations in sensitive settings. Accepted legal or medical subjects, bodily-injury terms and insured linguists need explicit review alongside client confidentiality.

RISKS WORTH DISCUSSING

01 Errors in critical document translations

02 Misinterpreted live medical instructions

03 Confidential client-record breaches

TRANSLATION AND INTERPRETATION SERVICE INSURANCE

Coverage worth discussing

Professional liability
Accepted professional terms for declared language assignments.

General liability
Covered nonprofessional injury at accepted assignment sites.

Cyber liability
Covered client-data breach response and privacy claims.

Workers compensation
Work-injury benefits for eligible staff interpreters.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 **Listen**
We review your operations, coverage and past claims.

02 **Assess**
We look at hazards and ways to reduce risk.

03 **Build**
We compare carriers, premiums and audit terms.

04 **Support**
We revisit coverage as your work changes.
