

EMERGENCY SURGERY AND TRAUMA CARE

Fast decisions can lead to claims.

Your teams treat severe injuries and coordinate urgent handoffs. Accepted clinicians, emergency procedures and reporting terms need clinical review alongside life-support machinery, buildings and employee injuries.

RISKS WORTH DISCUSSING

- 01 Critical emergency surgery malpractice
- 02 Transport handoff communication gaps
- 03 Life-support system operational failure

Coverage worth discussing

Professional liability

Specialist liability for accepted emergency treatment duties.

Commercial property

Insured critical infrastructure after covered physical damage.

Equipment breakdown

Covered internal failures of accepted life-support equipment.

Workers compensation

Work-injury benefits for eligible trauma-center employees.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 Listen

We review your operations, coverage and past claims.

02 Assess

We look at hazards and ways to reduce risk.

03 Build

We compare carriers, premiums and audit terms.

04 Support

We revisit coverage as your work changes.
