

SCALE TICKETS, TRUCK QUEUES AND MACHINERY

A wrong weight can prompt a claim.

You issue commercial weight tickets and manage truck queues. Declare weighing and certification duties; routine calibration and client fines differ from insured machine failures or negligent-service claims.

RISKS WORTH DISCUSSING

- 01 Incorrect weights in issued tickets
- 02 Internal weighbridge-system failures
- 03 Truck-queue injuries to visitors

Coverage worth discussing

General liability

Covered injury at accepted weighing premises.

Equipment breakdown

Internal failures of accepted scale machinery.

Commercial property

Insured platforms, scale assets and buildings.

Professional liability

Claims from accepted weighing/certification work.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 Listen

We review your operations, coverage and past claims.

02 Assess

We look at hazards and ways to reduce risk.

03 Build

We compare carriers, premiums and audit terms.

04 Support

We revisit coverage as your work changes.
