The Southern Agency
Insurance & Bonds

AFTER-SCHOOL INSTRUCTION

Student handoffs can lead to injury claims.

You teach students and manage session handoffs. Pickup injuries, disputed results and family-data breaches raise different liability and privacy questions.

RISKS WORTH DISCUSSING

01 **Student and parent premises injuries**

02 **Supervision and conduct concerns**

03 **Tuition and data breach exposure**

TUTORING CENTER INSURANCE

Coverage worth discussing

General liability
Covered third-party injuries at insured tutoring premises.

Professional liability
Eligible claims from accepted instructional services.

Cyber liability
Covered family-record breach response and privacy costs.

Commercial property
Insured computers and teaching materials after covered loss.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 **Listen**
We review your operations, coverage and past claims.

02 **Assess**
We look at hazards and ways to reduce risk.

03 **Build**
We compare carriers, premiums and audit terms.

04 **Support**
We revisit coverage as your work changes.
