

PROGRAMMING, STUDIOS AND DISTRIBUTION

A program can draw a rights claim.

You commission programs, run studios and distribute content. Accepted media duties, insured facilities and transmission equipment need separate terms, with excess limits scheduled to the actual underlying liabilities.

RISKS WORTH DISCUSSING

- 01 Program rights or defamation allegations
- 02 Studio fires and physical damage
- 03 Internal transmission-equipment failures

Coverage worth discussing

Professional liability

Specialist media terms for accepted programming claims.

Commercial property

Insured studios and equipment after covered damage.

Equipment breakdown

Covered internal failures of accepted broadcast machinery.

Umbrella liability

Extra limits above expressly scheduled underlying liabilities.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 Listen

We review your operations, coverage and past claims.

02 Assess

We look at hazards and ways to reduce risk.

03 Build

We compare carriers, premiums and audit terms.

04 Support

We revisit coverage as your work changes.
