

WHOLESALE SALVAGE PARTS

Vehicle fluids escape

You supply reclaimed engines and other vehicle parts, and may dismantle salvaged vehicles yourself.

RISKS WORTH DISCUSSING

- 01 Draining and storage contaminate the ground.
- 02 Testing failures affect product liability claims.
- 03 Yard stock burns or is stolen.

Coverage worth discussing

Environmental liability

Covered fluid-release claims from declared dismantling.

Commercial property

Addresses fire losses involving yard stock.

Workers compensation

Provides benefits for injuries during teardown.

Products liability

Covered harm from accepted reclaimed vehicle components.

General liability

Covered visitor injuries at the declared salvage premises.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 Listen

We review your operations, coverage and past claims.

02 Assess

We look at hazards and ways to reduce risk.

03 Build

We compare carriers, premiums and audit terms.

04 Support

We revisit coverage as your work changes.
