The Southern Agency
Insurance & Bonds

VENDING ROUTES AND HOST LOCATIONS

Machines face off-site damage.

You place and service machines at host sites. Machine ownership, food handling and collected cash need defined interests and location terms across the route.

RISKS WORTH DISCUSSING

01 Machine tip-over and public injury

02 Route cash collection and theft

03 Off-site vandalism and equipment damage

VENDING MACHINE OPERATOR INSURANCE

Coverage worth discussing

Inland marine
Declared machines during accepted host-site or transit stages.

General liability
Covered public injury claims from accepted vending operations.

Crime insurance
Defined cash theft or employee dishonesty involving insured assets.

Commercial auto
Covered road liability for declared restocking vehicles.

Products liability
Covered resulting harm from supplied vending foods.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 **Listen**
We review your operations, coverage and past claims.

02 **Assess**
We look at hazards and ways to reduce risk.

03 **Build**
We compare carriers, premiums and audit terms.

04 **Support**
We revisit coverage as your work changes.
