RENTAL CAMERAS, LIGHTING AND TRANSIT

A dropped camera can halt a shoot.

You supply cameras, lighting and production gear for shoots outside your control. Accepted rental, transit and handoff stages need terms distinguishing equipment damage or theft from contractual non-return.

RISKS WORTH DISCUSSING

01 **Dropped or weather-damaged camera gear**

02 **Theft of compact production equipment**

03 **Damage during shipping handoffs**

VIDEO EQUIPMENT RENTAL INSURANCE

Coverage worth discussing

Inland marine
Insured production gear under accepted rental/transit terms.

General liability
Covered visitor injury from accepted prep-room activities.

Workers compensation
Work-injury benefits for eligible rental-prep employees.

Commercial property
Insured premises and stored inventory after covered damage.

Commercial auto
Covered road liability for accepted gear-delivery vehicles.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 **Listen**
We review your operations, coverage and past claims.

02 **Assess**
We look at hazards and ways to reduce risk.

03 **Build**
We compare carriers, premiums and audit terms.

04 **Support**
We revisit coverage as your work changes.
