MONUMENT AND GROUNDS STEWARDSHIP

Unstaffed grounds can leave hazards unseen.

You maintain memorials that may remain open without onsite staff. Visitor falls, vandalized monuments and ceremonies involve different premises, restoration and governance interests.

RISKS WORTH DISCUSSING

01 **Visitor falls on public paths**

02 **Monument or plaque vandalism**

03 **Crowds at memorial ceremonies**

WAR MEMORIAL INSURANCE

Coverage worth discussing

General liability
Covered visitor injuries at accepted memorial sites.

Commercial property
Scheduled monuments and fixtures under accepted restoration terms.

Directors and officers
Covered governance claims in accepted operating-entity roles.

Workers compensation
Work-injury benefits for eligible grounds employees.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 **Listen**
We review your operations, coverage and past claims.

02 **Assess**
We look at hazards and ways to reduce risk.

03 **Build**
We compare carriers, premiums and audit terms.

04 **Support**
We revisit coverage as your work changes.
