The Southern Agency
Insurance & Bonds

CLIENT VALUABLES AND SPECIALIST SHIPMENTS

Small trays can hold large values.

You hold watches and gems worth far more than a repair charge. Jewelers-block terms need peak client values, bench damage and specialist shipments addressed, apart from premises and employee-theft terms.

RISKS WORTH DISCUSSING

01 **Client gems damaged during setting**

02 **Theft of concentrated watch trays**

03 **Loss during specialist shipments**

WATCH AND JEWELRY REPAIR SHOP INSURANCE

Coverage worth discussing

Inland marine
Declared valuables under accepted jewelers-block terms.

Crime insurance
Defined employee theft of expressly insured interests.

Commercial property
Insured benches and fixtures after covered damage.

Workers compensation
Eligible staff benefits for bench-work injuries.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 **Listen**
We review your operations, coverage and past claims.

02 **Assess**
We look at hazards and ways to reduce risk.

03 **Build**
We compare carriers, premiums and audit terms.

04 **Support**
We revisit coverage as your work changes.
