

WORKOVER AND WIRELINE SERVICES

A lost tool string can delay a well.

You send crews and mobile gear to customer wells. Downhole tools, well-control duties and surface-fluid releases require distinct accepted terms.

RISKS WORTH DISCUSSING

- 01 Downhole tool loss damage
- 02 Mobile rig transport accidents
- 03 Servicing fluid surface releases

Coverage worth discussing

General liability

Covered third-party harm from accepted well-service duties.

Inland marine

Declared mobile workover gear after covered physical loss.

Workers compensation

Work-injury benefits for eligible servicing crews.

Commercial auto

Covered road liability for declared service vehicles.

Environmental liability

Covered cleanup involving accepted servicing-fluid releases.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 Listen

We review your operations, coverage and past claims.

02 Assess

We look at hazards and ways to reduce risk.

03 Build

We compare carriers, premiums and audit terms.

04 Support

We revisit coverage as your work changes.
