

CUSTOM BLINDS, SITE VISITS AND INSTALLERS

A bad mounting can damage a home.

You measure windows and may install custom blinds or drapery. Declare actual site duties and goods ownership; resulting damage, transit loss and staff falls differ from a wrong-size order or redoing work.

RISKS WORTH DISCUSSING

- 01 Home damage during blind installation
- 02 Installer injuries from ladder falls
- 03 Physical damage to custom goods in transit

Coverage worth discussing

General liability

Resulting harm under accepted installation terms.

Commercial auto

Covered road liability for accepted installer vehicles.

Workers compensation

Work-injury benefits for eligible installation employees.

Inland marine

Insured treatments under accepted transit/job-site terms.

Products liability

Resulting harm from accepted window-treatment products.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 Listen

We review your operations, coverage and past claims.

02 Assess

We look at hazards and ways to reduce risk.

03 Build

We compare carriers, premiums and audit terms.

04 Support

We revisit coverage as your work changes.
