

PACKAGED ALCOHOL RETAIL

Age checks affect liquor claims.

You sell packaged alcohol from a retail store. Stock damage, robbery and alcohol-sale allegations need terms accepting your actual products and sales practices.

RISKS WORTH DISCUSSING

- 01 Inaccurate age verification errors
- 02 Theft of premium spirits
- 03 Breakage of fragile inventory

Coverage worth discussing

Liquor liability

Covered liability from accepted packaged-alcohol sales.

Commercial property

Declared spirits and store assets after covered physical damage.

General liability

Covered customer injury claims at accepted stores.

Business owners policy

Property and general liability for an eligible alcohol retailer.

Crime insurance

Defined robbery or employee theft involving insured store assets.

Workers compensation

Work-injury benefits for eligible retail employees.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 Listen

We review your operations, coverage and past claims.

02 Assess

We look at hazards and ways to reduce risk.

03 Build

We compare carriers, premiums and audit terms.

04 Support

We revisit coverage as your work changes.
