

SEASONAL COLLECTIONS AND POP-UP STOCK

A leak can ruin a new collection.

You sell changing apparel collections and may take stock to pop-ups. Values and off-site locations need acceptance, with covered physical damage, event injury and employee theft distinct from markdowns.

RISKS WORTH DISCUSSING

- 01 Water damage to a seasonal collection
- 02 Physical loss of stock at accepted pop-ups
- 03 Customer injuries during store events

Coverage worth discussing

Commercial property

Insured apparel stock after covered physical damage.

Inland marine

Declared stock under accepted transit/pop-up terms.

General liability

Covered injury from accepted store/event activities.

Crime insurance

Defined employee theft of expressly insured interests.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 Listen

We review your operations, coverage and past claims.

02 Assess

We look at hazards and ways to reduce risk.

03 Build

We compare carriers, premiums and audit terms.

04 Support

We revisit coverage as your work changes.
