

ANIMAL CARE AND PUBLIC ENCOUNTERS

Failed life support can threaten a habitat.

You care for animals and manage public encounters. Living-collection values and mortality need express terms alongside accepted visitor, keeper and life-support machinery interests.

RISKS WORTH DISCUSSING

- 01 Animal bite injury allegations
- 02 Life-support equipment failure
- 03 Chemical pollution incident exposure

Coverage worth discussing

General liability

Covered visitor claims under accepted animal-encounter terms.

Equipment breakdown

Covered internal failures of accepted life-support machinery.

Commercial property

Scheduled habitat structures and declared facility contents.

Workers compensation

Eligible keeper, veterinary and diving work-injury benefits.

Coverage is subject to policy terms and exclusions.

Why The Southern Agency

01 Listen

We review your operations, coverage and past claims.

02 Assess

We look at hazards and ways to reduce risk.

03 Build

We compare carriers, premiums and audit terms.

04 Support

We revisit coverage as your work changes.
